

# We've got an App for That!

As the landscape of technology changes, we will update you on new ways of accessing some of the resources we provide. At the moment, several products we offer have apps for use on iOS, Android and other tablet devices. All apps are free and available through the iTunes store or GooglePlay. Information is subject to change based on changes in provider service.

Destiny Quest		An integrated version of the library catalog. Find out what's in the library, search for reliable websites and more!	Login with the school's generic user name and password: UN: Mansfield PW: schools
Follett eReader		Read an ebook on your mobile device! Use Follett ereader to browse and read ebooks online. Works with ipads, android devices, nook color devices. May work with additional devices, but we haven't tried them yet!	Login with the school's generic user name and password: UN: Mansfield PW: schools, and when prompted, fill in the url information with wbb05575
Catalist Audio books		Download audio books to your device instead . Works on iphones, ipads and android devices.	This "checks out" the audio file onto your device, so you can go back to it while
Tumblebooks Animated Picture Books		This is NOT an app, but some Tumblebook animated picturebooks are now available for use on the ipad!	Use safari to click on the Tumblebooks link on the school's website, choose  , then click  in the top middle of the page.
